Overview

Villa Caper is a lovely four bedroom villa with views across to Santa Ponsa. It is possible to walk down into the resort town however due to the location being on a hill, the return journey can be steep so a rental car is recommended for easy access to the shops and restaurants.

The villa has a wonderful open plan layout for the main living and dining areas, where you can relax on comfortable sofas around a large fireplace and TV or step directly out onto the pool deck. A full kitchen is perfect for preparing delicious meals with fresh local produce from the nearby shops and markets. A breakfast bar is a central feature, perfect for a casual morning coffee or pastry.

All four bedrooms in Villa Caper have been decorated to a high standard and are extremely comfortable. Located on the ground floor, the master bedroom boasts a king bed, dressing room and large ensuite bathroom. The additional bedrooms also have king sized beds (one can be converted to twin if needed), one bedroom has an ensuite bathroom and the other two share a bathroom.

Spend your days at Villa Caper relaxing by the large private pool on comfortable sun loungers, while taking in the spectacular panoramic views of Santa Ponsa. This is particularly special at night when the lights are twinkling. A summer kitchen with outdoor dining table and large new BBQ is perfect for entertaining and enjoying pre dinner cocktails and alfresco dining.
