Overview

Located within the exclusive Terres Basses community, Villa Avanti is a contemporary five-bedroom retreat designed for privacy, comfort and effortless indoor-outdoor living. A palm-lined driveway leads to the villa, where open-plan interiors frame stunning views of the Caribbean Sea and the island of Saba.

The interiors are sleek and modern, with high-quality furnishings from Manutti and Roche Bobois complemented by natural wood, woven textures and warm earthy tones. The spacious living and dining areas open fully onto the terrace, while the well-equipped kitchen includes premium Wolf and Sub-Zero appliances, a central island and breakfast bar. Outdoor dining and a gas barbecue make entertaining easy.

For quieter evenings, the villa features a dedicated media room with an 82-inch Smart TV and Bose surround sound. Each of the five bedrooms has an en-suite bathroom with a rain shower, Smart TV and Bose soundbar, while four include walk-in wardrobes. The master suite also offers a lounge area, private terrace and a three-person jacuzzi.

Outside, the large L-shaped saltwater pool is the focal point, featuring a shallow beach-style entry, built-in seating and a central island daybed. A stylish poolside gazebo with a wet bar provides a shaded space to relax, while sun loungers, daybeds and parasols surround the terrace for laid-back days by the water.
