Overview

Villa La Pergola is a stylish seven-bedroom villa set within a 20-acre estate in the heart of Tuscany's Chianti wine region. Surrounded by vineyards, olive trees and Mediterranean gardens, it enjoys a peaceful countryside setting close to the medieval village of Panzano, with Florence and Siena both within reach. The nearby villages of Greve, Castellina and Radda are also well placed for exploring the area's wineries, restaurants and historic streets.

The interiors combine contemporary furnishings with traditional features, using a restrained palette of grey, beige and natural wood to create a comfortable and welcoming atmosphere. The villa offers several living areas, including a spacious first-floor lounge arranged around attractive brick arches, as well as a modern, fully equipped kitchen and dining area with space for up to ten guests. Smaller sitting areas on the upper floors provide additional places to relax.

There are seven air-conditioned bedrooms, each with its own bathroom. The rooms are spread across the lower, ground and first floors, with a further bedroom in the villa's tower offering 360-degree views across the surrounding countryside. Several bedrooms can be configured with twin beds, providing flexibility for different groups.

Outside, the landscaped gardens make the most of the vineyard views, with several terraces and spaces for dining in the open air. Guests can enjoy an 11-metre swimming pool, a separate shallow plunge pool and an outdoor kitchen with barbecue and dining area. The villa also has an indoor spa with a heated plunge pool, hydro-jets and waterfalls, offering a relaxing option whatever the weather.

With Panzano within walking distance, Villa La Pergola is well suited to guests who want to enjoy the Tuscan countryside while remaining close to traditional villages, local restaurants and wine estates. Its seven bedrooms and generous indoor and outdoor spaces also make it a good choice for larger families or groups of friends travelling together. For those looking for even more space, it can be rented with nearby four bedroom [Villa Il Glicine](#).
