Overview

For those looking for something truly out of the ordinary, Torre is as special as it gets. A unique 13th-century watchtower with breathtaking views from its terraces, this is a property with genuine history and character, an intimate retreat for two that feels a world apart from the ordinary holiday rental.

The tower itself is home to the main bedroom with a king-size bed and a bathroom, while a colourful annex sits just outside on the surrounding terrace, with a small kitchen, a living room with a sofa bed, and a bathroom, making it comfortably suitable for a couple with one additional guest (age 14 plus). The large terrace that wraps around the tower is perfect for dining alfresco or simply relaxing on a sun lounger while taking in the spectacular views.

Torre sits within the wider Torre Sponda complex, a private gated compound overlooking Positano Bay, a flowered and gardened oasis of citrus and olive trees with approx 180 private steps leading down to a small beach which is equipped with sun beds and umbrellas as well as a beach club. Guests also have access to the complex's shared pool, making Torre a wonderful combination of seclusion and community. The property comes

with air conditioning, Wi-Fi, cable TV and mid-week maid service as standard.

Perfectly positioned for exploring the very best of the Amalfi Coast, with the boutiques, cafés and beaches of Positano just a short walk away, Torre is a rare find, a piece of living history in one of Italy's most romantic settings.

Please note:

Parking: The property does not have a private parking area. We recommend Parcheggio Di Gennaro, located just a 5–10-minute walk from Torre Sponda. The villa manager will meet you at the car park and escort you to the property. Porterage can also be arranged at an additional cost.

Swimming Pool: The pool is open from 9:00 AM to 6:00 PM, from May 1st to October 10th, depending on weather conditions.
