Overview

Champagne Du Cap is a stylish six-bedroom villa set within a private 22,000 sq ft estate in Cap Estate, at the northern end of St Lucia. Recently renovated with a contemporary coastal style, the villa enjoys sweeping views across the Atlantic Ocean and Cabot Golf, while Rodney Bay, beaches, restaurants and local activities are all within easy reach.

The spacious interiors are designed for relaxed group stays, with an open and comfortable living room featuring an 89-inch TV and surround sound, a Yamaha grand piano and a vinyl record player. A large dining room seats up to 12, while the modern kitchen is fully equipped with high-end appliances, including an American-style fridge freezer and wine cooler. Private chef and catering services can also be arranged.

There are six air-conditioned super-king bedrooms, each with a private balcony, while the accommodation can be extended with a self-contained apartment (additional cost) and a separate pool house cottage. The cottage

has its own kitchen, shower room and flexible Murphy bed, making it particularly useful for guests wanting additional privacy.

Outside, the villa's landscaped gardens and expansive terrace provide plenty of space for dining, relaxing and enjoying the views. There is an outdoor kitchen, fire pit and open-air cinema, together with a heated, temperature-controlled pool. Guests also have access to a dedicated fitness studio with Peloton bike and treadmill, an air-conditioned yoga studio and a games room with pool table, table tennis, foosball and darts.
