## Overview

Located in a beautifully secluded spot on the coast of St Philip, the most easterly, and largest, parish in Barbados, Larimar is a stunning six bedroom luxury villa. With spectacular panoramic views of the Atlantic Ocean and lush tropical gardens, Larimar is the perfect island getaway for you and your family or group of friends.

The villa is a unique blend of Barbadian, French and Balinese style and boasts 8,500 sq.ft of luxury, light air interiors decorated in clean, calming colours. The first thing that catches the eye upon entering the villa is the baby grand piano taking pride of place in the living area, the second will be the jaw dropping views of the ocean. A glass circular dining table is the perfect place to enjoy meals with your loved ones, cooked in the exquisite fully equipped kitchen. The games room is a great place to relax and spend quality time with your guests.

Ascending the sweeping staircase to the first floor, you will find all six of the guest bedrooms. Five of the bedrooms come with a super king bed and ensuite bathrooms, while the sixth has twin beds that can also be made into a super king. The master suite features a window seat where guests can take in the beautiful views, as well as an ensuite with a double vanity, double rain shower and large bath. One of the other bedrooms has a massive outdoor shower room with views of the ocean.

Spend your days at Larimar relaxing by the 30ft pool or in one of the many outdoor spaces the property has to offer. Enjoy delicious alfresco meals at the outdoor dining table and prepare drinks at the bar. This is the perfect location for your next Bajan holiday.
