Bird of Paradise enjoys incredible views over the turquoise waters towards St Barths and St Maarten.

The main house features a living and dining area, fully-equipped kitchen and guest toilet. The Bird of Paradise boasts not one but three pool areas, the most extensive pool system of any villa in the Caribbean. The lagoon-style pools are heated and range in depth from three to nine feet.

There are four sitting areas including an exterior living space with fireplace, an interior living room with wet bar, a covered veranda and a sun deck.

The entire property is enclosed for complete privacy. Hidden hideaways include a hill-top deck with hammock and an Indonesian day bed amongst a grove of palm trees.

There is a full-time House Manager, 24-hour concierge, daily housekeeping and a grounds man to assist with beach chairs.
