

Fosters House

Overview

Fosters House is a five bedroom beachfront property in the heart of the west coast of Barbados. A serene retreat from the everyday, the villa will be your own private paradise on your next Caribbean holiday. Located between the luxury shopping and dining destination Holetown, and the new foodie hotspot Speightstown, you will never be short of exciting new places to experience.

Spread across two levels, guests will discover everything they need to enjoy a relaxed and refreshing break. The main floor is home to a spacious open plan living and dining area that opens out onto the expansive pool deck. A fully equipped kitchen, complete with centre island, is ideal for either preparing meals yourself, or enjoying those cooked by the in house chef.

The first of five bedrooms is located on the ground floor and boasts a double bed, ensuite bathroom and direct access to the pool deck. The additional four double bedrooms are located on the first floor, each featuring an ensuite bedroom and access to balconies overlooking the pool area and ocean beyond.

The pool deck at Fosters House is where you will be spending most of your time. It's elevated position means the views of the Caribbean Sea are unforgettable. The large pool and jacuzzi are the perfect place to while away the hot days and a covered area is ideal for enjoying al-fresco meals cooked on the gas BBQ.
