Overview

Casa Cielo Azul is a modern villa that enjoys some fantastic sea views from its poolside and upper terrace. Located in S'Argamassa, a beachfront destination most famous for the Nikki beach club, it lies just to the north of the popular town and sandy beaches of Santa Eulalia.

The golden sands and resort amenities of Santa Eulalia are a popular family beach destination, and here at Casa Cielo Azu you are just minutes away. The sea is merely metres away, and you can hire boats on the beachfront right in front of the property.

Casa Cielo Azu is completely fenced, surrounded with stone walls and planting to enhance the privacy of the outside space. On the lower terrace a sparkling pool (10m x4 m) provides a cool way to escape the heat of the Ibizan sunshine. Or relax on the poolside loungers to soak up the golden rays.

A sociable dining space, with table seating eight and barbeque, also sits alongside the pool, with sliding doors opening onto the interior, where a lounge area and well-equipped kitchen in light, natural wood create a

charming entertaining space.

All areas of the house are fully air-conditioned and have access to WiFi. On the upper level, an additional large terrace space enjoys fantastic sea views. It's the perfect spot to grab a beanbag and relax with friends – whether to watch the sun rise over the sea or to enjoy a sociable drink in the evening.
