Overview

Villa Matahari is a five bedroom villa designed in Balinese style with a tropical garden overlooking the sea, inviting you to soak up the renowned west coast lifestyle. It is located in the popular area of Black River, close to the famous Le Morne Mountain as well as Chamarel Village, both of which are well worth exploring.

From the moment you step through the door, the view of the turquoise blue lagoon will transport you into an exotic dream. A comfortable and relaxed living area and full kitchen leads out to the manicured garden and pool area, surrounded by day beds and sun loungers. Four bedrooms are located in the main house while the fifth is located in a separate studio, perfect for teenagers or an additional couple wanting a little extra privacy.

For families travelling with children aged 3 to 12, an in-villa children's animator can be arranged (upon request and subject to availability), offering engaging, adventure-filled, and educational activities tailored to the curious minds of our little explorers.

Thanks to privileged partnerships with nearby hotels such as Paradis Beachcomber Golf Resort & Spa and LUX Le Morne, guests staying at Villa Matahari can enjoy the best of both worlds: the privacy of a villa combined with

exclusive access to hotel restaurants, golf courses, bars, and spas (subject to availability).

For those travelling with youngsters, from 9 am to 5 pm, an in-villa children's animator can offer culinary workshops, fishing, treasure hunts, and more. Excursions to the zoo, aquarium, and other attractions are also available. Thanks to an excellent relationship with nearby luxury hotels including Paradis Beachcomber Golf Resort & Spa and LUX Le Morne, guests staying at Villa Matahari can enjoy the best of both worlds with exclusive access to the hotels' restaurants, golf courses, bars, and spas, subject to availability.
