Overview

Two-bedroom Villa Batur sits inside the swanky and newly-built Ubud estate, The Pala. In the heart of Ubud, the estate offers a range of accommodations from one to five bedrooms that can all be booked together to form a 16 bedroom property perfect for large family get togethers or celebrations.

Villa Batur is perfect for small families or friends travelling together. All living areas are on one level, with outside steps leading down to the pool area and up to the roof terrace. The master bedroom boasts floor to ceiling windows with stunning jungle views, as well as a balcony which is the perfect spot for your morning coffee. The second bedroom has twin beds and is located next to the living room. Both rooms have large ensuite bathrooms stocked with luxury amenities.

A small kitchen with pantry, fridge and coffee machine leads through to the open plan living room. A circular dining table is a great place to enjoy breakfast if you choose to dine in the villa rather than the estate restaurant.

Farm-to-table dining can be enjoyed at the estate's Hura Hura Restaurant. Activities include farm tours, riverside yoga and cooking classes. Buggy service makes it easy to travel within the compact estate, and there is a lovely rice field where you can partake in a farming experience. Tucked into a quiet hillside, The Pala is only 6 km away from central Ubud and its many charms.
