Overview

Themis Z is one of the most sought after lifestyle brands in the Greek fashion and homeware world. The Mykonos property is in itself a tangible expression of the designer's long-lasting love affair with the island and the Mediterranean way of joyful living. For Themis Zouganeli, Mykonos was always a place she could flee to and experience the authentic vibe of unpretentious luxury living. With beautiful views out over the port as well as Agios Stefanos, both only a short drive away, it is the perfect place to escape and unwind with the whole family or a group of your closest friends.

The seven stylish bedrooms have been decorated with custom made furniture, along with some iconic Themiz Z homeware including cushions and pottery vases. All crafted by artisans who have mastered their crafts over generations and maintain sustainable and ethical production. All bedrooms have an ensuite bathroom and four have lounge areas.

The villa boasts two main living areas featuring large white sofas and day beds, the pure and clean lines inspired by the Cycladic architecture and the colour of the whitewashed island houses of this beautiful island, where the

founder of the brand, Themis Zouganeli, spent all her summers as a child and set up her first flagship store. Dining together is also an important part of Greek hospitality and delightful meals can be enjoyed at several dining tables around the villa. There are two main dining areas inside, a more intimate dining space situated next to the fully equipped kitchen and one designed for larger gatherings (8 people) ready to be laid with the most sophisticated THEMIS Z fine-porcelain tableware collections. The main outdoor dining area features two large white dining tables that can fit up to 20 people and has wonderful sea views.

You will most likely spending the majority of your time outdoors in one of the many wonderfully relaxing spots, either on a comfortable sun lounger around the pool, reading a book under the shade of the terrace, or enjoying the bright bougainvilleas that surround the gardens. For additional guest enjoyment there is a large jacuzzi, cinema room, office and children's play room.
