Overview

Casa del Limone is a chic boutique villa in a prime coastal setting, with direct access from the coastal road and moments from nearby towns. Evocative of an Ibiza beach retreat, this trend-setting residence is perfect for the style-conscious traveller.

Inside, the white walls and exquisite bursts of colour give an airy and contemporary feel, enhanced by ceramic tiles and stylish furnishings. The living area is especially notable, thanks to its spacious proportions and bespoke glass floor centrepiece that offers views to the villa's very own lower floor spa. On this level, guests can also enjoy the cool confines of the professional-grade kitchen with seating. Downstairs, the welcoming wellness centre awaits, complete with a temperature-controlled pool providing chromo-therapy, hydro-massage and a waterfall fountain.

Outside Casa del Limone, the infinity-edge pool certainly dazzles, offering unparalleled views over the coastal scenery. There are plus lounge chairs and seating for dining so that guests can enjoy al fresco dining with views of the coastal scenery. The rooftop terrace is the cherry on top, providing a more romantic experience.

Main House
