Overview

Triton at Kamique is an impressive six bedroom villa and one of three villas that make up Kamique Villa estate on the stunning island of Anguilla.

Triton at Kamique has a secluded cove beach and stunning views of the mountains of St. Martin. You are just steps from the pristine beach and the beautiful Caribbean Sea. The surrounding waters are protected by a reef, which makes for calm waters and excellent snorkelling. You can relax on a day bed or sun loungers at the beach or choose to lounge by the Triton's private swimming pool.

The interior of the villa has been tastefully furnished. There is a home entertainment system and Triton at Kamique is wheelchair accessible. The open plan lounge/ dining area has spectacular views of the ocean thanks to the large floor-to-ceiling doors. Most guests tend to enjoy dining and socialising outside where there is ample seating space from which you can enjoy the sunsets.

The six bedrooms feature luxurious en-suite bathrooms, TV's and are air-conditioned. Both of the master suites offer outdoor showers with a private sunning area

The rates include a team of staff including housekeeper and concierge service and also continental breakfast.

Triton at Kamique is within easy reach of the beach and ocean, town and shops as well as the CuisinArt Golf Course and Spa. In nearby Sandy Ground, “the entertainment capital of Anguilla,” you will discover a sleepy village by day that lights up at night with imaginative beach bars and hot night spots.
