### Overview

In a fabulous beachfront location, Westhaven Barbados offers a luxurious Caribbean villa holiday for all the family. Its tropical gardens usher you through a gateway, which opens onto the pool deck with stunning ocean views. Lounge next to the shimmering waters of the pool, complete with a water feature or take your loungers on to the white sand beach and enjoy the calm Caribbean waters. Gibbs Beach offers watersports activities for those who want some fun on the water, or take a romantic stroll up to the popular Mullins beach, which has a great beachfront restaurant.

The comfortable living room on the ground floor is outfitted with flat screen cable TV and opens out onto an expansive patio – just the spot for sipping cocktails while admiring a superb sunset. The kitchen's large window opens outwards to the dining area, making it convenient to serve meals, snacks and refreshing beverages throughout the day. Enjoy an alfresco meal on the pool deck - prepared by the villa's chef.

The 4 bedrooms have outdoor patios, air-conditioning and en-suite bathrooms. Three bedrooms are located on the first floor and one on the ground. The master is also equipped with cable TV and shares an oceanfacing
