

Saba Sadewa

Overview

Saba Sadewa is a two bedroom Villa and part of the <u>Bali</u> <u>Saba Estate</u>, comprising five villas that can be rented as a whole estate for an exclusive getaway or as independent villas.

As well as two spacious en suite bedrooms, Villa Sadewa has a large open-air living/dining area, complemented by a separate, fully equipped kitchen. A 13-metre pool with a timber deck and a comfortable relaxation bale are set within the villa's lovely tropical garden.

A large, sliding wall panel next to the pool separates Villa Sadewa from two-bedroom <u>Villa Nakula</u>. Guests who book both villas can request the staff to open the wall panel to provide a joined garden area with the two swimming pools – ideal for family groups requiring four bedrooms and space for the children to have fun.

Saba villas are served by a large team of staff including a villa manager; assistant manager; private chefs; 24-hour security, housekeeping and butler service; gardeners and pool staff. Additional staff (babysitters, in-house masseuses) available on request.

Saba is exceptionally well equipped for families. Facilities include: baby cot; high chair; booster seat; DVDs; games and pool safety fence.
