

Villa Abiente

With its sleek modern design and sweeping views across the bay, Villa Abiente is a stylish five-bedroom property in Cape Yamu on Phuket's east coast. Ideal for couples or groups, this contemporary space captures the essence of relaxed island living, with open-plan interiors and a stunning 12-metre infinity pool perfectly positioned to catch the sunrise.

Overview

With its sleek modern design and sweeping views across the bay, Villa Abiente is a stylish five-bedroom property in Cape Yamu on Phuket's east coast. Ideal for couples or groups, this contemporary space captures the essence of relaxed island living, with open-plan interiors and a stunning 12-metre infinity pool perfectly positioned to catch the sunrise.

Flooded with natural light, Abiente's bright and airy living spaces open completely to the tropical breezes. The main pavilion features a chic sunken lounge beside the pool which is the perfect spot for sunset cocktails or lazy afternoons. Two of the villa's bedrooms sit poolside, offering sea views, while all five enjoy ensuite bathrooms, two with indulgent double bathtubs. Inside, the open-plan living area flows seamlessly from the sitting room to the dining area and fully equipped kitchen. A Zen-inspired entryway, complete with rock garden and striking mural, sets the tone for the villa's calming aesthetic.

A dedicated team of staff ensures every need is met. The private chef prepares gourmet breakfasts and authentic Thai cuisine, while the English-speaking villa manager arranges excursions, massages, or in-villa dining experiences. You can also enjoy access to Baan Yamu Estate's facilities, including a restaurant, bar, gym, and Olympic-sized pool.

Beyond the villa, explore the natural beauty of Phuket's east coast, from sailing through Phang Nga Bay's dramatic limestone cliffs to discovering hidden waterfalls, world-class golf courses, and serene spas, all just a short drive away.
