## Overview

Waverly House is a lovely three bedroom villa located on Gibbes Beach in St Peter on the west coast. This home is a great and affordable beachfront option for families or friends.

Waverly House is built in a traditional Barbadian style and features an indoor sitting and dining room that opens up to a private garden with plunge pool, a terrace and outdoor dining area - perfect for alfresco meals whilst enjoying the beautiful sunset. There is also a BBQ for guests use. The three bedrooms are located on the upper floor and are air-conditioned. The master bedroom features a king size bed and benefits from an en-suite bathroom with bathtub / shower. The second bedroom features a king -size bed and shares a bathroom with the third bedroom which has twin beds.

Other amenities include WiFi, iPod docking station, TV with cable, hairdryers in the bathrooms and an al fresco shower.

The home enjoys direct beach access onto Gibbes Beach which is great for swimming or snorkelling. Popular Mullins is also just north of the villa.
