

Villa Prinki

Overview

Villa Prinki is a stylish one bedroom property set on the slopes of the highest point in Santorini, offering spectacular views of the Aegean Sea and Crete in the distance. The villa is set in the extensive grounds of a private estate on the lower level (accessed by stairs) and is only a short walk from the Profitis Ilias Monastery. Several beach towns are only a 15 minute drive away.

Guests staying at Villa Prinki will notice an abundance of bright white light and subtle wood tones in the open plan space, exemplifying typical Cycladic design. The furnishings and fixtures within this space are of the highest quality, boasting modern amenities that cater to a lifestyle of luxury. The residence boasts a well-appointed kitchen and a comfortable sitting area. Beyond an archway lies the expansive king-size bedroom, featuring an anatomic mattress and a pillow menu to ensure the best sleep possible.

The sophisticated ensuite double bathroom is equipped with a spacious walk-in rain shower, a double washbasin, premium bath products, and plush robes and slippers. This attention to detail provides everything essential for an elevated and rejuvenating pampering experience.

Spend your days relaxing on your private terrace, overlooking the peninsula of Akrotiri and the black sand beach of Perissa. Along with the private infinity pool, the outside area boasts multiple seating areas including a sunken lounge, hammocks and beanbags along with an alfresco dining table for long lazy meals.
