### Overview

Perched on elevated ground along the pristine northern coastline, Villa Zebra Moon enjoys one of the most spectacular panoramic views in Mauritius, an uninterrupted vista over the turquoise lagoon and the striking silhouette of Gunner's Quoin Island. Just steps away, a quiet stretch of fine sandy beach completes this rare coastal setting, ideal for morning dips and peaceful barefoot walks.

Designed with a bold, soulful aesthetic, the villa blends African-inspired architecture, rich wooden tones, and a curated collection of original artworks by a renowned local artist, giving Zebra Moon its unique and vibrant identity. With 5 spacious en-suite bedrooms, this exceptional retreat offers both comfort and character, making it the perfect escape for families or friends seeking a private sanctuary shaped by art, nature, and timeless island beauty.

For families travelling with children aged 3 to 12, an in-villa children's animator can be arranged (upon request and subject to availability), offering engaging, adventure-filled, and educational activities tailored to the curious minds of our little explorers.

Thanks to privileged partnerships with nearby hotels such as Lux Grand-Baie, Trou aux Biches Beachcomber & Royal palm Beachcomber, guests staying at Villa Karma can enjoy the best of both worlds: the privacy of a villa combined with exclusive access to hotel restaurants, golf courses, bars, and spas (subject to availability).
