Overview

Masseria Luna is a stylish four-bedroom villa set among ancient olive trees in the peaceful countryside of Ostuni. With a relaxed, contemporary feel and plenty of space outdoors, it offers a tranquil base for exploring Puglia while remaining just a 10-minute drive from the beach. Ostuni, Locorotondo and Alberobello are all within 30 minutes.

The interiors are bright and airy, with a minimalist design, natural textures and an earthy colour palette. The main living space combines the kitchen, dining and lounge areas in one generous room, with wide glass openings bringing in plenty of natural light and creating an easy connection with the garden. There is also a guest bathroom, while the kitchen is fully equipped for preparing meals at home.

The four air-conditioned bedrooms are arranged across two levels, with two queen bedrooms on the main floor and two on the lower floor. All have en-suite shower rooms, while the two lower-ground bedrooms open directly onto the garden.

Outside, the villa is surrounded by ancient olive trees and landscaped grounds. The large private swimming pool can be heated on request and sits in front of a covered, furnished patio, with a separate outdoor dining area providing a shaded setting for meals. There is also a barbecue, private parking and plenty of space around the pool for relaxing in the Puglian sunshine.

Masseria Luna is perfect for discovering the region, from the whitewashed streets of Ostuni to the trulli of

Alberobello and the picturesque streets of Locorotondo. The nearest town is around nine minutes away, with Brindisi Airport approximately 28 minutes by car.
