Overview

Artinal Estate is a stunning complex made of of several properties and can accommodate up to 46 persons. The estate comprises a central common area with the rooms spread in different homes around the main square, a structure that reproduces life in Tuscany as it was in the nineteenth century, a place where everyone has their privacy, but all social activities are shared, where endless walks are available for those who love nature walks. The estate has been tastefully designed with classic style and modern twists. There are high wood-beamed ceilings and terracotta floors, LED lights set in antique, original lamp holders and an industrial-style kitchen. This is a retreat with an elegant aura and a welcoming vibe, blending traditional and modern Italian architecture, with a powerful eco-friendly accent.
