Overview

Villa Il Cedro is a stylish five-bedroom villa set in the hills of Taormina, with panoramic views across the sea. Recently renovated with high-quality finishes and contemporary comforts, the villa combines bright, spacious interiors with a beautifully landscaped private garden. The centre of Taormina is around a 15-minute walk away, making it easy to enjoy the town's restaurants, shops and historic streets.

The first-floor living area is light and welcoming, with large windows and French doors opening onto a balcony overlooking the sea. Comfortable leather sofas, a fireplace and a television create a relaxed sitting space, while the dining table seats up to ten guests. A fully equipped kitchen is also located on this floor, making the villa well suited to shared meals and time together.

The five air-conditioned bedrooms are arranged across two floors, each with its own bathroom. The first floor has a single bedroom with access to a private winter garden, alongside a queen bedroom with a small terrace overlooking the garden. On the ground floor, three further bedrooms include two queen rooms and a double room, one of which enjoys sea views towards the winter garden.

Outside, the landscaped garden offers several shaded seating areas and a striking panoramic swimming pool with a spacious sun deck. A separate outdoor Jacuzzi with chromotherapy provides an additional place to unwind, while the furnished dining area and outdoor kitchen with a wood-fired pizza oven are ideal for relaxed meals in the open air. An arched loggia with glass windows connects to a furnished winter garden, offering another comfortable space to enjoy the surroundings.

Villa Il Cedro is well positioned for exploring Taormina and the wider eastern coast of Sicily. The cable car to Mazzarò Beach is around seven minutes away by car, providing easy access to the coast, while Catania Airport is approximately 55 minutes away. The villa also makes a convenient base for day trips to Mount Etna, Syracuse and the historic Baroque towns of southeastern Sicily.
