Overview

Villa Cristobel offers you an enchanting hillside escape, within easy reach of Majorca's beautiful beaches. Designed in traditional Spanish style and surrounded by mature gardens, this villa is perfect for those seeking a tranquil island escape.

The interior has been decorated in a light, natural colour scheme, with warm wooden tones and cool white-washed walls. Relax in the homely living room with sofa seating, a large flat-screen TV, and cosy book corner, or head to the farmhouse kitchen where a large distressed wood table provides a place to dine indoors.

Outside, there are several terraces with beautiful mountain views, and a number of spaces to dine al fresco with outdoor furniture provided. An acre of verdant gardens with bougainvillea flowers, manicured shrubs, and lawns surround the villa. You'll also find an impressive outdoor pool, which boasts a sun terrace furnished with luxe sun loungers.
