Overview

In a fantastic location in a quiet cul-de-sac in Seminyak, Villa Issi offers a quiet haven yet close to all the best restaurants, bars, shopping and beaches of Seminyak. This fully staffed villa is great for families or groups of friends wanting to enjoy the best of Bali.

The modern architecture of white steel and wood of Villa Issi is softened by the lovely serene gardens . There are two levels to the villa, the upper level housing two of the bedrooms .

The ground floor features a chic contemporary lounge, dining room and kitchen. Whilst the staff prepare meals in the kitchen, you can spend lazy days by the pool or catch up on the latest movies in front of the 55-inch TV in the stylish monochrome lounge room, or listen to chill-out tunes on the Bose sound system. And when it's time for sunset cocktails, head up to the funky timber 'bridge' which extends over the pool from the villa's upper-floor deck.

A sliding door from the lounge to the dining area can be opened up to make one large open plan living space.

The dining area has seating for ten and overlooks the state-of-the-art, stainless steel kitchen. The lounge, kitchen and dining area all have floor-to-ceiling glass doors, which can be opened or closed at your discretion.

All Villa Issi's bedrooms feature air-conditioning, luxurious en-suite bathrooms, 32-inch television screens with DVD players and Bose surround- sound.

Master Bedroom - Located on the upper floor of the main villa, Villa Issi's elegant master bedroom boasts recycled teak flooring and stunning black-and-white artwork. This king-bedded room has a large dressing room and its enormous grey terrazzo bathroom has a freestanding tub as well as indoor and outdoor rain showers.

Study Bedroom - The study bedroom, which is accessed via the upper-floor deck, boasts a king-size bed, a desk running the length of one wall, a large walk-in wardrobe and an en-suite bathroom fitted with a rain shower.

Guest Pavilion - Villa Issi's guest pavilion is located in the garden and overlooks the pool. Its two identical bedrooms feature king-size beds, honey blonde teakwood floors and ensuite garden bathrooms with rain showers and romantic bathtubs for two. A terrace at the front of the bedrooms has a covered seating area furnished with beanbag chairs and daybeds, making this the perfect getaway spot.

If you can tear yourself away from the beautiful villa, then the famous beachfront dining venue, Ku De Ta, is just down the road and the beautiful seaside restaurant of La Lucciola only a short stroll away.
