

Punta Aguila 10 - paused for construction

Overview

Punta Aguila 10 is spectacular four bedroom villa in the Casa de Campo resort area, with panoramic views out over the Caribbean Sea. This is the perfect base for your Dominican Republic holiday, just sit back and relax and allow the friendly staff to cater to your every need.

Designed in an elegant yet traditional and rustic style, this four bedroom villa is the ideal home away from home for your family. Each bedroom is en-suite, with a toilet and shower. The master bedroom offers breathtaking ocean views as well as its own jacuzzi.

The epitome of indoor/outdoor living, Punta Aguila 10 offers wonderful open spaces including a large living room and dining area, a beautiful outdoor terrace overlooking the ocean, and a large, fully equipped kitchen. If you do not fancy cooking for yourself then have your personal cook whip up something special for all the family to enjoy.

Relax in the expansive gardens, either in a hammock or on one of the sun loungers around your private infinity edge pool. If you feel the ocean calling then take a dip in the warm water straight from your private steps.

ABOUT THE RESORT

Casa de Campo is a gated resort in the Dominican Republic and is ideal for families. Minitas Beach Club has an on-site Latin and Mediterranean restaurant as well as an ocean-view bar and large outdoor deck where there is often live music or a DJ. Residents can make the most of the water sports available, including kayaking, snorkelling and windsurfing. Other activities on site include tennis courts, horse riding, polo and a world class golf course. The marina area has a selection of shops and boutiques, as well as restaurants, cafes and pizzerias to try.
