Overview

Villa Coluna is a stylish four-bedroom villa with excellent sea views, located just a short walk from Julia's Beach. It is the perfect spot for your next holiday in the Algarve.

Upon entering the villa through the entrance hall, guests will find a cloakroom and a bright living room with a large ceiling skylight. A modern kitchen with counter seating is the perfect place to enjoy a casual breakfast or prepare delicious meals for the whole family using fresh local ingredients. Also located on this level is a twin bedroom suite, and the master suite, both with access to a sea-view terrace that includes a dining area and lounge space.

Upstairs, a spacious lounge area with sea views and a dedicated office space offers a relaxed and versatile environment for those wanting to escape the sun for an hour or two, or catch up on a bit of work.

The lower level features a TV room, a twin bedroom, a double bedroom, a shower room, utility room, and an additional cloakroom.

The pool deck at Villa Coluna has been perfectly designed for outdoor living, with a dining area, comfortable lounge seating, ample space for sunbathing around the pool, and a full BBQ area with outdoor kitchen and bar seating. A large upper terrace provides an additional outdoor lounge area with sweeping sea views.
