Overview

Villa Kishti Blackgarden is a stunning villa located on the north coast of Anguilla with sweeping views of the ocean. Villa Kishti has been designed by Cecconi Simone Inc. and architected by Frank Hamilton, resulting in a contemporary villa with stunning design and architectural details that foster an enriching and enlightening ‘tropical lifestyle’ experience.

The three magnificent bedroom suites each offer a private terrace and panoramic views of the Atlantic Ocean, while assuring individual privacy for guests. The master also features a private terrace, an outdoor shower and an individual hot tub, all overlooking the Atlantic waters. Each suite, individually decorated, has its own refrigerator and coffee service. The guest bedroom offers two twin beds and en-suite bathroom and is excellent for older children, a nanny or security.

Outdoors, guests can enjoy the volcanic rock shoreline, large infinity pool and grotto with a hot tub. Kishti also offers an exercise room and a private terrace that serves as a recreation room.

Villa Kishti Blackgarden boasts a spacious living room with a magnificent bay window overlooking the ocean. Mealtimes can be enjoyed in an indoor/outdoor dining area for up to twelve with the assistance of a modern kitchen with contemporary design and plenty of counter space.
