## Overview

Villa Vina is beautiful six bedroom beachfront villa and can accommodate ten guests. The villa can be combined with its sister villa, Villa Somma, for larger groups with a total of eight bedrooms. During the summer months only the full estate can be rented.

There are three bedrooms on each level and have been tastefully decorated - bedrooms are light and stylish with soft wooden flooring.

Two master bedrooms are located on the ground floor along with a twin bedroom. Each bedroom has ensuite bathroom with sea or mountain views.

Two bedrooms on the lower ground level share a bathroom and each feature double bed. The other bedroom is a master with double bed and ensuite bathroom.

All bedrooms are air conditioned.

There are two open plan kitchens each with its own living area and a large dining table on the ground floor level. For entertainment, there is smart TV, WiFi and Bluetooth speaker.

Outside, you can enjoy cooling off from the Mediterranean sun in the swimming pool ( 4.5×10 meters with ladder access). Or you may prefer to cross the walkway over the pebbles and enjoy a swim in the sea. During the evenings, alfresco dining can be enjoyed and there is also a BBQ for guests use.

Villa Vina is located on Kissamos Bay and offers the perfect setting to explore Western Crete and its local tavernas and beaches.
