Overview

Villa Nadia is an amazing property featuring majestic views of the Aegean Sea. This villa is a Mykonian holiday dream come true! This superior brand new villa spreads over 550 m2 in multiple levels to welcome up to 14 guests in sophisticated luxury.

The location of the villa near Ornos and the Chora of Mykonos makes it ideal for large parties ready to explore the island's lifestyle, while its four independent guest houses ensure that, even among friends, there will always be the option of privacy.

The house, a structure of stone and white, blends harmoniously into the landscape, with generous exterior spaces offering calming unobstructed vistas of the islands of Delos and Rhenia. The guests can unwind around the terraces and the sitting and lounge areas under the cool shade of the pergolas, get some sun and fun by the gorgeous infinity swimming pool or entertain friends with an impromptue BBQ and al fresco dining under the stars.

The interiors follow the cool white minimalist style of the Cycladic islands; it's all about immaculate white surfaces, built-in elements, arches, and details, a touch of washed wood, all sprinkled with touches in baby blue tones. The bright airy feel, high end furniture, and soft luxurious fabrics come together in the delightful bedrooms, exquisite bathrooms, and inviting common areas to create an aura of comfort and calm.

This villa offers amazing amenities, including a helipad, as well as daily housekeeping so that you can just relax and enjoy your island holiday experience.
