### Overview

Built in 2022, Villa Michael is a stylish, minimalist three bedroom property with stunning views of the Caribbean Sea. Located in the exclusive gated community of Westmoreland Hills with just 45 villas, guests will only be a 5 minute drive from the beach as well as two world famous golf courses and luxury shopping and dining in Holetown.

The single level villa has been designed with elegance and sophistication in mind, with a black and white monochrome concept with hints of gold pieces and decor.

Entering the property guests will be greeted by a light and airy open plan kitchen and living room leading directly out onto a spacious covered terrace with outdoor furniture which is perfect for relaxing and enjoying al-fresco meals.

The Master bedroom boasts a King bed and large wardrobe space as well as an ensuite bathroom with double sink and shower. The second and third bedrooms are set up as twin beds but can be joined if needed. These bedrooms share a bathroom with a shower. All bedrooms are air conditioned and have ceiling fans.
