## Overview

Bay View House sits atop a narrow coastal road that winds its way around the Kommeno Peninsular. The views from the property are simply spectacular. Kommeno offers several great quality restaurants and bars and you are only a short drive from Corfu Town.

Arriving at the top of the driveway, you are greeted with this beautiful, light airy villa. It is set across three floors which makes it ideal for a large family or several family groups or friends. The main entrance leads to a large, open plan living and dining area as well as a beautiful open fireplace. A full kitchen is also located on this level. Al fresco living is easy with a large outdoor dining terrace and BBQ.

Heading up the stairs of Bay View House you will find three of the villa's bedrooms. Two bedrooms have double beds and lead out to balconies with stunning views out over the bay. The master also has an en-suite shower room. The third bedroom is a single room. There is a family bathroom on this level.

Making our way down to the lower ground floor there is another double room as well as a TV room that converts

into the 5th bedroom with a double sofa bed. Both rooms share a family shower room.

Spend your days relaxing by the pool on comfortable sun loungers, or wander over the lane and down some steps to the waters edge and your private swim platform where you can take a dip in the cooling water.
