### Overview

Villa Nureyev was created in the 1970s and was the home of classical dance star Rudolph Nureyev. The legend goes that he dreamed of dancing and floating above the waves, hence the construction of a large floating deck, surrounded by ocean. His dream is now yours to enjoy.

Two master suites are located on the main floor of the villa as well as a private suite with its own kitchen and terrace. A guest cottage overlooking the pool is where you will find the final bedroom. A TV room, private massage room and Hammam are available to enhance your relaxation.

The outdoor areas are the crowning glory of this villa. The exterior deck boasts spectacular, 180 degree unobstructed views over the ocean. The terrace includes your private pool, jacuzzi and a steam bath, as well as several idyllic places to relax and enjoy your holiday. This is the only villa built right on the ocean on this wild coast.

The villa is only two minutes away from the main hotel area with all its facilities, including the beach club and restaurants. Guests receive all the same benefits as the hotel as well as the following:

- Personalised welcome and transfer from airport or harbour on arrival and departure

- Continental breakfast served every morning on the terrace of the villa by our staff (full American breakfast is available at the hotel restaurant)
- Private butler services
- VIP welcome in the villa with snacks and Champagne on arrival
- Housekeeping services twice daily seven days a week
- Welcome minibar
- Access to the Beach Club with reserved sun beds
- Access to the hotel gym
- Delivery of rental car to the villa

Guests at Villa Nureyev also have access to Hotel Le Toiny's Serenity Spa Cottage and fitness centre. The hotel's secluded beach features a coconut grove, tamarind field and pineapple orchard offering a "full beach service" to hotel guests and non-guests alike with a small bar and beach loungers in the shade of the "paillettes". The beach is accessible by hotel shuttle.

The restaurant offers simple yet elegant cuisine and is widely regarded as one of the best dining venues in St. Barths. A open-air oyster shell bar, cozy corners of seating and a champagne sitting area, ideal for pre-dinner aperitifs, give a relaxed and intimate feeling to Le Toiny's restaurant. For a more casual setting and cocktails at any time of the day, the open-air bar, overlooking the pool provides a spacious lounge area with views of the Caribbean Sea.
