

Footprints (8 bed)

Footprints Estate offers contemporary design and all the premium creature comforts. Upon arrival at the fully stocked villa, you can effortlessly transition into vacation mode as the hospitable staff focuses on providing 5-star service and privacy.

Overview

Footprints Estate offers contemporary design and all the premium creature comforts. Upon arrival at the fully stocked villa, you can effortlessly transition into vacation mode as the hospitable staff focuses on providing 5-star service and privacy. You can choose to enjoy the serenity of your private infinity-edge pool, relax in the beach-side wading pool, or take a dip in the refreshing Caribbean waters on the white sand beach. You can dine with a view of the sunset from the terrace without having to lift a finger.

Set on 12,000 sq. ft. of beautiful beachfront property, this luxurious villa features 5 contemporary suites in the main house, accommodating up to 10 guests, and can be rented with one of the two 3-bedroom cottages located just across the street, accommodating up to a total of 16 people. The villa exudes tranquility with its neutral décor, outdoor lounging areas, and stunning sea views. Lifestyle amenities such as a gym and cinema complement the main residence, and there are two pools and a wet bar for outdoor relaxation.

Footprints by Blue Sky Luxury is a highly-rated vacation rental in Barbados. Located close to luxury shopping and fine dining options, it's just a few minutes away from Holetown, which offers golf, tennis, and more. Our Concierge

Can team can arrange all of your on-island activities for a truly luxurious experience at Footprints.

For smaller groups, [Footprints](#) can be booked to make a great five bedroom vacation rental option. Guests can also book both [Footprints North Cottage](#) and [Footprints South Cottage](#) for that perfect 6 bedroom vacation retreat.

Please note: The beach experiences seasonal fluctuations in its accessibility.

Please note: Smoking is prohibited throughout the premises.
