Overview

Villa Atas Ombak is a beautiful five bedroom property in Seminyak, along the island's coveted south-west coast. This iconic villa has graced the pages of the world's leading lifestyle magazines and continues to draw discerning travellers and groups in search of the ultimate island escape.

Few places can rival the villa's seamless blend of tropical soul and contemporary sophistication, set against the spellbinding backdrop of the Indian Ocean. Perfectly positioned between Seminyak and Canggu, the villa offers easy access to Bali's vibrant nightlife and beach club scene.

The name Atas Ombak means "on top of the waves", highlighted by the foaming surf, visible beyond the immaculate lawns, with more than 100 metres of direct beach frontage and a stunning 14-metre swimming pool mere steps from the sand.

Between the pool and the main residence lies the villa's social heart: an open-sided living pavilion beneath a soaring *alang-alang* thatched roof. This is the ideal place for lounging, dining, and entertaining in true island style. Across several lotus ponds, the two-storey main building is home to the elegant dining room, a cosy media room, two guest bedrooms, and the master suite complete with its own private plunge pool. Two additional 'Ocean' bedrooms are tucked away in a separate pavilion closer to the beach, offering privacy and uninterrupted sea views.

Guests at Villa Atas Ombak will enjoy warm and attentive service from the in house team, including housekeepers, manager and concierge. A talented chef will prepare dishes from a suggestion menu or tailored to guests' tastes, and manages all provisioning (additional charge).

Beyond the villa, Bali's most popular beach clubs are within easy reach: Café del Mar sits just across a small river, while Tropicola, Potato Head, and W Bali are all an easy beach stroll away. With Seminyak's dining and shopping temptations nearby, it's easy to see why Villa Atas Ombak remains one of Bali's most sought after holiday homes.

*Please note that due to the location close to beach clubs, we recommend this villa for groups of friends or older families rather than those with young children.
