

Emily House (5 bed)

This South Coast villa is perfect for larger groups who like to entertain. Emily House overlooks the Atlantic Ocean on the Southern tip of the island.

Overview

This stunning oceanfront villa is located on the south coast of Barbados, overlooking the Atlantic Ocean. With its open-plan design, and a relaxed beachy atmosphere, complemented by natural sea breezes rather than central air conditioning. The home has recently been renovated, featuring light wooden floors, eye-catching chandeliers, and a charming kitchen.

As you enter the villa, you'll be greeted by a unique 'lighthouse'-styled coral stone wall. The pool area is perfect for lounging and enjoying the sun, and there are also shallow pools and bays nearby for a refreshing swim. The open-plan deck provides an ideal spot for al fresco meals, complete with an 8-seat dining table and oversized sun loungers for soaking up the sunrise with your morning coffee.

The modernised kitchen offers a large breakfast bar and two French doors that open up to the stunning views. Adjacent to the kitchen is the spacious main bedroom, featuring a king-sized bed, ample cupboard space, and doors that open out onto the pool patio. The en suite bathroom includes a shower, while a tub bath offers a relaxing soak with an ocean view.

A separate basement apartment, accessed via a stairwell from the kitchen, offers additional accommodation. It includes a bedroom with three twin beds, a bathroom, a playroom/gym, a small kitchenette, a casual living room, and a dining area. Guests staying in the apartment have their own entrance, ensuring privacy and convenience for visiting friends or family.

On the second floor, accessed via a curved stairway, you'll find three more bedrooms. Two rooms on the western side share a bathroom, with one featuring a king bed and sitting area and the other offering twin beds and a lovely bay window. On the east side, there is a spacious room with a walk-in closet and en suite bathroom. All rooms are bright and airy, with large windows showcasing the turquoise and blue sea views.

Emily House is conveniently located near popular surfing spots, Miami Beach, and the delightful fishing village of Oistins. The South Coast is renowned for its relaxed atmosphere, offering an abundance of restaurants, nightclubs, and picturesque sandy beaches. Moreover, the airport and Barbados Golf Club are just a quick drive away. With its ample space, breathtaking vistas, and convenient placement, Emily House is the ideal option for larger groups seeking to fully enjoy everything the island has to offer.
