

## Anthea - Overview

Villa Anthea is a beautiful boutique villa situated on the island of Skiathos, in a privileged north coast location. With panoramic sea views and an inviting freeform pool, this is the perfect bijoux villa for your Greek getaway.

Set across two levels, this spacious villa is enhanced by a light and elegant colour scheme, with calming neutral tones and small bursts of colour. Exposed brick walls, rustic timbers and smooth tiled floors create an authentic Greek ambience. Upstairs, the living and dining room is the villa's most impressive attribute, providing direct access to a panoramic sea view terrace. There is also a well-equipped and modern kitchen close by for convenience. Downstairs, guests can discover the villa's three bedrooms, each decorated in a chic, modern fashion.

Outside, the villa truly impresses, with incredible views out to sea and plenty of space from which to gaze. The freeform swimming pool is perfect for a cooling dip, while the tranquil garden and pleasing seating area ensure that it will be easy to find a place to relax.
