

Baraka Point - Overview

Sitting peacefully on a headland in the Caribbean Sea flanked by Virgin Gorda's trademark volcanic boulders and two pristine sandy beaches, Baraka Point Estate enjoys an unbeatable location for a luxury private retreat. Fully staffed with a private chef and concierge services included, resort amenities, six suites and a separate main entertainment pavilion, Baraka Point is an ideal property for large families or groups of friends, an intimate BVI wedding or special celebration of any kind.

Nestled in two acres of tropical gardens the 12,000 sq ft villa's copper-peaked pavilions accommodate a total of 16 guests in five ocean view suites plus a sixth principal master suite overlooking the beach. Designed to feel like a home away from home, the villa's interiors are tastefully decorated with muted colours, kilims and hardwood furnishings while exterior spaces look out over white coral stone terraces, emerald green lawns and azure seas. A spacious main pavilion incorporates open plan indoor and outdoor living, dining and entertainment areas, a full service bar and cocktail lounge, and an infinity pool with giant shade sails for sanctuary from the midday sun. Beyond the main pavilion a panoramic deck sunken into the boulders at the water's edge makes an idyllic spot to watch magical BVI sunsets with complimentary cocktails and canapes.

Relaxation and personalised service are hallmarks of the Baraka Point Experience—leave the cooking to Baraka Point's USA-trained chef while you explore the three beaches within easy reach of the villa, snorkel the house reef teeming with tropical fish and hawksbill turtles or pamper yourself with spa treatments and a relaxing Ocean Wave Yoga session with Baraka Point's in-house instructor. Cooled by trade breezes, the villa also has a well-equipped al fresco fitness area and complimentary membership of the Nail Bay Sports Club air-conditioned gym, tennis and squash courts just five minutes' walk from Baraka Point. For guests who prefer to spend their time on the water, Baraka Point's concierge can organise sailing, power-boating, fishing, kite-boarding, tubing, wake-boarding and more. Baraka Point also has paddle boards, life vests and snorkel sets and a beach buggy for guests' use. However guests spend their time they will find everything they need for a fun-filled, memorable stay in this exclusive beachside hideaway.
