

## Bluff House and Cottage - Overview

Bluff House and Cottage is one of our luxury [Barbados Villas](#) and features six-bedrooms in the main house and 2 bedrooms in the guest cottage. Bluff House and Cottage enjoys a prime location, mere steps away from the legendary Sandy Lane. The interior has been exquisitely furnished throughout and features six en-suite bedrooms.

An impressive coral stone hallway leads onto elegant areas ideal for socialising or relaxing. A wonderfully stylish entertaining space has been created amongst lush tropical plants at the centre of the house. This innovative area flows directly onto the pool deck, affording glorious views through the palms to the sea beyond. In turn, the perfect place to unwind is provided in the form of a tastefully decorated sitting room equipped with TV, satellite, video and stereo facilities.

Adjoining the sitting room is a formal indoor dining area, with a beautiful coral stone dining table as its centre-piece. For more informal dining, this room opens onto a covered verandah with glorious views of the ground as a backdrop. Six stylishly decorated double air-conditioned bedrooms, each with en-suite bathroom, provide ample accommodation for guests.

Bluff House has a magnificent master bedroom which opens onto an expansive terrace, with views of the garden and the sea beyond, while the other bedrooms open directly onto the grounds.

Direct access to the glorious Sandy Lane beach is easily obtained through the property's own private path, and sun loungers are provided on the beach for the comfort of guests. Sandy Lane's legendary 18-hole course represents the perfect challenge for golfers.
