

## Casa Adanna - Overview

Casa Adanna is a spectacular and stylish Ibiza villa located in a secluded setting between an José and the beach of Cala Jondal and its famous Blue Marlin beach bar. The villa has sleek lines and low rooflines softened by the tall palms and pines that surround the property and created a feeling of exclusive privacy and seclusion. The villa comprises three buildings – the main house, a separate poolside annexe and a separate newly reformed casita with private pool.

Casa Adanna can accommodate 20 guests across 10 bedroom suites.

**Master Suite** – King size bed, fireplace, TV and Sonos music, air conditioning, en-suite bathroom with shower, bath and Hammam, private outdoor shower, private exit to the Jacuzzi and private chill-out area.

**Bedroom 2** – King size bed, TV and Sonos music, air conditioning, private outdoor shower, private terrace, en-suite bathroom with shower.

**Bedroom 3** – King size bed, TV and Sonos music, air conditioning, private terrace, private outdoor shower, en-suite bathroom with shower.

**Bedroom 4** – King size bed, TV and Sonos music, air conditioning, private terrace, en-suite bathroom with shower.

**Bedroom 5** – King size bed, TV and Sonos music, air conditioning, private terrace, private outdoor shower, en-suite bathroom with a bath.

**Bedroom 6 (Annex)** – King size bed, TV and Sonos music, air conditioning, en-suite bathroom with shower.

**Bedroom 7 (Annex)** – King size bed, TV and Sonos music, air conditioning, en-suite bathroom with shower.

**Bedroom 8 (Casita)** – King size bed, TV and Sonos music, air conditioning, en-suite bathroom with shower.

**Bedroom 9 (Casita)** – King size bed, TV and Sonos music, air conditioning, en-suite bathroom with shower.

**Bedroom 10 (Casita)** – King size bed, TV and Sonos music, air conditioning, en-suite bathroom with shower.

Please note the rooms in the Annex and Casita are most suitable for staff or children under 12. The villa can also be booked as a 5 bedroom without the additional staff quarters.

Inside the villa, contemporary styling and natural wooden floors lift the modern design to create a warmth and homely feel. There is a spacious sitting area, indoor dining and fully equipped kitchen. The property is fully air-conditioned and has access to high-speed WiFi throughout. Huge sliding doors open out onto a wonderful terrace leading to the heated infinity pool.

Outside is impressive and will appeal to the most discerning clientele. The infinity pool is 25 metres in length and can be heated for an additional charge. Comfortable sun loungers and day beds surround the swimming pool. Beyond the pool are manicured gardens and a large Jacuzzi, a pétanque pitch and a unique outdoor cinema.

There is plenty of outdoor space for relaxing, sitting and dining. The terrace features wide, corner seating and an extended dining table with views over the pool. There is a small “beach” area with sand, a bar and seating for 30 guests.
