

Casa Antinos - Overview

Casa Antinos is a luxury concept villa situated on a spectacular Ibiza hillside with beautiful far-reaching sea views. Designed so that guests can truly make the most of the fantastic island climate, this villa is all about bringing the inside out. The villa's outdoor sea-view terrace, for example, boasts not just a beautiful infinity pool but also features a tranquil outdoor lounge, and an outdoor kitchen. Inside, there's another stylish lounge and an upscale kitchen too so it really is up to you where you choose to spend your leisure time.

You'll love the indoor lounge for its large flat-screen television and bespoke seating, although when the sun's shining there's nothing better than relaxing in comfort by the pool on one of the resort-style loungers or chilling under the shade of the Spanish-themed outdoor lounge. The villa also boasts several wonderful sea-view terraces and relaxation areas, including a sandy chill-out area with shaded loungers.

Should you crave the sand of the beach, you'll find Casa Antinos is excellently located within just a few minutes' drive of several different beaches including Cala Tarida.
