Casa Giannasi - Overview

Located on the hillside of the exclusive neighbourhood of Camps Bay in Cape Town, Casa Giannasi is a newly renovated modern and stylish four bedroom villa. The entrance level of the villa takes full advantage of the sweeping sea views all visible from the open plan living, dining and kitchen area, which opens out to a lovely large balcony. The Master Suite and second bedroom are also on this level and both rooms also lead out on to the balcony.

On the lower level of Casa Giannasi, there is a spacious entertainment area complete with bar and pool table, a TV lounge, living area and kitchenette, making this villa ideal for families or friends who want to spend some fun and quality time together on holiday. The third and fourth en-suite bedrooms can be found on this level which both lead out to the pool terrace.

All four bedrooms feature en-suite bathrooms and the following amenities:
