Casa La Laguna is a magnificent beachfront villa offering an impressive 10,000 square feet of living space and an additional 16,000 square feet of outdoor living space with panoramic ocean views.

The villa is a perfect choice for large families or groups of friend and offers an exquisite blend of Hacienda style and custom Balinese furnishings. The villa is split over four levels, with ocean views from every room. The villa has six bedroom suites and 8 bathrooms.

The outdoor areas feature beautiful pieces of art, colourful flowers & various fauna gracing the grounds, and fountain & infinity features. The sparkling bi-level pool offers an upper wading pool, a 15 foot slide, and a lower infinity pool large.
