

Casa Sadie - Overview

Casa Sadie is located in large, landscaped gardens with many shaded areas and large trees. This lovely Sicily villa features five bedrooms and can accommodate 10 guests. There are four double bedrooms and one twin room.

Upon entering the villa, you find yourself in the bright living room. This open plan area is furnished with comfortable sofas, chairs and has a TV. The indoor dining area and modern kitchen are adjacent to the TV area. French doors from the dining room leads out onto the garden and French doors from the kitchen lead out onto the verandah where there is an alfresco dining table and chairs. Just off from the living room is a hallway which leads to 2 double bedrooms. These bedrooms share a bathroom with shower.

Three bedrooms are located on the first floor. The two double bedrooms have private balconies that overlook the verdant gardens. Another bedroom features twin beds that can be configured as a double. There are two bathrooms on this level – one with bathtub and one with shower.

Casa Sadie has a lovely swimming pool surrounded by gardens and plants. Sun loungers flank the pool as well as umbrellas and outdoor seating. Families will delight in the kid's play area. For more casual dining, there is a BBQ near the verandah.

Nearby towns are perfect for sightseeing. Palermo is the capital of the Italian island of Sicily and in the centre are the Palazzo dei Normanni, a royal palace started in the 9th century, and the Cappella Palatina, with Byzantine mosaics.
