

Dragons Lair - Overview

Dragons Lair is a four bedroom home in a spectacular location on one of Antigua's most beloved beaches. This villa has a cool white exterior and elegant interiors and features a luxury gourmet kitchen, indoor/outdoor sound system, al fresco dining and infinity swimming pool and pool deck. There is an outdoor shower, sun loungers, hammock and day bed – perfect for relaxing and enjoying the incredible views. And there's even a rooftop Jacuzzi with sundeck – the perfect spot to soak up the sunset with a cocktail.

Dragons Lair can accommodate up to 11 guests in its four air-conditioned bedrooms and charming mezzanine loft.

Large glass doors and high wooden beamed ceilings flood the place with natural light and allow gentle trade winds to flow through. Inside, the focus is on clean neutral accents, with intermittent splashes of bold colour, contemporary fittings and furnishings and abundant relaxation areas. The villa has two and a half bathrooms, WiFi internet and four flatscreen TVs with US cable and DVD.

The spacious sundeck affords spectacular views over the Caribbean Sea, while the poolside barbecue grill and bar are ideal for outside entertaining.
