

Footprints South Cottage - Overview

Footprints South Cottage is a wonderful 3 bedroom property located just a minute from the popular Alleyne Bay and is a real tropical oasis. Footprints South Cottage can be booked with Footprints Barbados for larger groups and features 8 bedrooms in total. Or for even larger groups can be booked with [Footprints North Cottage](#) and [Footprints Barbados](#) and combines 11 bedrooms.

There are three bedrooms in Footprints South Cottage. The master bedroom features a king-sized bed with a working space, an ensuite bathroom and views of the courtyard and pool. The second bedroom has queen sized bed with ensuite bathroom and the third bedroom has twin beds and a view of the pool.

The infinity-edge pool sits in the middle of the courtyard amongst greenery and has plush lounge furniture. There is a shaded dining area perfect for alfresco meals. A few steps from the courtyard leads to the main living area which is modern and contemporary in design. The kitchen is well equipped and has a breakfast bar and seating.

The staff are professional and friendly and will make sure you have a relaxing holiday. Alleyne's Bay is less than a minute's walk and is the perfect place to watch the sunset with a bottle of wine. Juma's Beach Bar is on the beachfront and sits next to Lone Star Restaurant, both restaurants offer great food choices depending on your preference for a casual or fine dining experience.

Footprints South Cottage is part of Footprints Estate, comprising [Footprints Villa](#) (5 Beds) and [Footprints North Cottage](#)
