

GoldenEye - Overview

Goldeneye spans 52 acres of lush tropical gardens on the north coast of Jamaica. The property has 13 One and Two Bedroom Villas and 6 Lagoon Cottages. There are 2 restaurants –one bistro and one fine dining, beach bars and 2 swimming pools.

Lagoon Cottages – Each Lagoon Cottage has its own private dock extending four feet over the lagoon and a brightly coloured kayak that's tied up and waiting for you. The cottages have been built into lush landscape with direct access to the lagoon from your veranda.

One Bedroom Beach and Lagoon Villa – Five One-Bedroom Beach Villas open directly onto Low Cay Beach and the One Bedroom Lagoon Villa sits directly on Goldeneye's four-acre signature lagoon. All feature a large porch, wooden windows and wide double doors. The villas enjoy a total living area of 1110sq.ft. and have a queen-sized daybed and TV in living room, bathroom and private outdoor shower, kitchen and outdoor dining area.

Two Bedroom Beach and Lagoon Villa – Four of the Two Bedroom Villas are located directly on Low Cay Beach and one is located on the lagoon. Each has large porches on the lower and upper level, louvred windows and double doors.

One Bedroom Beachfront Villa – The bedroom is nestled under a giant Banyan tree and offers queen-sized bed, a bathtub and an exotic outdoor rain shower. There is a separate living room and kitchen area, which open onto a private cut-stone patio with picnic table for al fresco dining. There is a second bathroom/shower room between the living area and kitchen. The kitchen and living room both have cable TV.

The Bizot Bar is located on the western arm of Low Cay and is a great spot for low key dining. This bar is open for breakfast and lunch. The Gazebo offers fine dining in a superb location overlooking the beach and the lagoon.

Goldeneye has a range of facilities such as kayaking, stand-up paddle boarding and snorkeling. There is a tennis court on property and instruction is available on request. For those who enjoy a challenge, you can take a two hour bike ride through the charming fishing village of Oracabessa and up rugged trails overlooking the ocean.

FieldSpa has open air-treatment rooms within a cottage situated on the lagoon and offers a range of treatments.
