

Hawksbill Villa - Overview

Hawksbill Villa is an exceptional eight bedroom beachfront villa located on the eastern end of Grace Bay and spread over several buildings. This mansion is nestled on over 4 acres of gardens and land and a great choice for a large family or friends looking for the ultimate in luxury. Hawksbill Villa can be rented as a 5 or 8 bedroom property or along with its neighbouring villa, [Hawksbill Beach House](#), 11 bedrooms.

You enter the estate and find yourself in the Great Room with double height ceilings and plenty of comfortable seating areas. This is a great place for multi-generational families to come together and socialise whilst appreciating the surrounding views. A formal dining room is located next to the Great Room. Large floor to ceiling doors open up onto the expansive terrace and beach.

The main building also houses a fully equipped kitchen and a media and games room with a huge flat screened TV. There is also a selection of board games to choose from.

Hawksbill Villa can accommodate 16 guests in 8 bedrooms in three separate areas.

The outdoor areas of Hawksbill Villa are just as exquisite and impressive as the inside. There are several shaded and open alfresco dining and seating areas. The swimming pool is spit into a main pool and lap pool. A hot tub is located in the main swimming pool. On the terrace is a fire pit which creates a fantastic ambience at night.

As well as the beachfront setting, the gardens are as special with over four acres of space with palm trees.

For guests who like to keep active, there is an independent annex with gym and WC located next to the tennis court. Near the entrance of the villa is also half a basketball court. These facilities are included with the villa next door. There is also a full range of non-motorised water sports including paddle boards, kayaks and snorkelling equipment. If you want to hire a boat, there is also a private dock so you can go straight from the villa and explore the surrounding areas.
