

HAYEZ AT CA'NOVA VENICE - OVERVIEW

Hayez at Ca'nova Venice is an exquisite two bedroom apartment situated on the second floor of a luxuriously appointed palazzo. Located right alongside the historic waters of the Canale Grande, this beautiful residence provides elegant accommodations just a five-minute stroll from Piazza San Marco.

Entry is via the palazzo's modern lift, and guests arrive into the vibrant and sophisticated entry hall, complete with elegant seating and Regency furniture. From here, you can access the villa's beautifully light and airy living room, where a welcoming lounge area with a satellite television ensures that relaxed evenings can be enjoyed. Look outside and enjoy views over a sunny Venetian square where locals stroll and beautiful palazzos can be seen. Alongside this is a dining area where guests can dine upon chairs made for the palazzo back in the 1820's. Additionally, a compact yet well-equipped kitchen ensures that dinner time is well catered for.

The villa's two bedrooms are both beautifully furnished and decorated, incorporating classic Venetian touches while bringing modern amenities and fresh tones. The Simmons mattresses are sure to give you a good night's sleep, and the wonderful dynasty furnishings add a true touch of class. There are two bedrooms for convenience, including one with elegant marble surfaces. For guests seeking to stay in Venice in style, this property also benefits from a private secretary, and a knowledgeable owner, both of whom are willing to help guests discover parts of Venice usually unknown or closed to normal tourists.
