

## Hummingbird Villa at Calabash - Overview

Hummingbird Villa at Calabash is one of the villas located at Calabash Grenada – a luxury villa resort in [Grenada](#) with a selection of suites and villas. The resort is located at L'Anse Aux Epine, just 10 minutes from the airport.

Hummingbird Villa at Calabash is a spacious retreat, accommodating up to 10 guests in an expansive five- bedroom estate home. The interior is tastefully decorated with beautiful furniture and ravishing artwork.

The Hummingbird Villa has a spacious kitchen adjoining the breakfast room and leading to the dining room; it opens to the lounge and television room. The cloakroom and two bedrooms also surround the courtyard. The master bedroom, with an office area, is located on the east side of the property. Downstairs are two additional bedrooms. The lounge and dining room lead to a covered patio, a sunny pool deck and a gazebo, making it an ideal spot for outdoor dining.

The resort has an abundance of amenities and facilities including 2 restaurants and 2 bars, a boutique, a large fresh water swimming pool, a fitness centre, a floodlit tennis court and a snooker room. Heaven & Earth Spa at the Calabash has a range of luxurious treatments available.

**Please note:** Calabash Grenada welcomes children over 12 from 15th January through 15th March and children of all ages during the rest of the year.
